- } Ref. group
Algebra

- 1) Welcome & thank you — 3rd year indMat
- 2) Your motivation
- 3) Lecture style + exercises
- 4) Your input.
- 5) Next meeting after comp.1

2) Motivation

- Often not enough practical applications
- D. lacks math background
- Connection to ML is of interest
- Want a practical course

3) Like the iPad a lot

Sometimes with powerpoint can be a bit quick

D. didn't have a problem with pace
Pacing is a bit slow for Sofie
↳ she has lots of statistics background.

Rec. Exercises: None many needed TAs

Comp. exercises → how to organize?

- Piazza

- Whereby → Maybe limit to

4) Other input? Add names on website.
