

1. Meeting: 20.1.22, 12<sup>'5</sup>

Simon Liabø

August Aarstad

Saule Trepekuraite

1) Welcome and thank you

2) Your motivation to take the course

3) Lecture style & exercises

4) Your input

5) Next meeting after camp. 1

---

2) Simon: Lector program, math, phys  
· Book was recommended

Saule: Lector math, phys  
Was recommended  
^  
Course

August: · 3<sup>rd</sup> year IndMat

· Motivation: Spring in 3<sup>rd</sup> year very few  
courses to choose from  
Likes idea to connect to ML

Very applied course is a motivation to take it!

3) Lectures & mentimeter is liked  
Mentimeter spices up the lectures, very useful!

Exercises: Could be tied into the lectures

4) Saule: Digital vs. physical
